AMAN KUMAR

Product & Visual Designer · Crafting Digital Experiences, Brand Systems & AI-Augmented Visuals

akpadkill@gmail.com | +91-8851284569 | linkedin.com/in/aman7562 | amankumar7562.github.io/myportfolio/

PROFILE

Product and visual designer with experience across UI/UX, brand design, social media marketing, and digital campaigns. Skilled in user flows, wireframing, prototyping, visual systems, typography, and content development. Experienced in creating product-led marketing content, supporting campaign and ad execution, and adapting brand communication across digital channels. Proficient in Figma, Adobe Creative Suite, and AI-assisted design tools.

EXPERIENCE

Brand Designer (Graphic) Jun 2026 – Present

Career Plan B / Uentree Services Pvt. Ltd. - Gurgaon

- Collaborated with cross-functional teams to define and implement visual design assets for a global education & career consultancy operating across 51+ countries, ensuring alignment with brand and UX goals.
- Design social media creatives, blog imagery, campaign assets, and marketing collateral; refine work through feedback to strengthen visual consistency.
- Maintain visual guidelines and reusable design systems across brand touchpoints; participate in design reviews and implement revisions.

Social Media Marketing & Creative Strategy Jun 2026 – Present

Callience / Uentree Services Pvt. Ltd. - Gurgaon

- Plan social media content calendars and product-led marketing content for LinkedIn, Instagram, Facebook, X, and YouTube to communicate product value and support lead generation.
- Create campaign concepts, product explainers, carousels, promotional videos, reels, motion graphics, scripts, and platform-specific copy.
- Support and execute social media campaigns and advertising initiatives, coordinating creative assets, messaging, and publishing to promote Callience's AI voice-agent product.
- Translate product capabilities into clear marketing messages and consistent brand communication across digital channels.

Deputy Delivery Hub Manager — Operations Jul 2025 – Oct 2025

Zepto Pvt. Ltd. (Kiranakart Technologies) - Industry Traineeship

- Gained firsthand exposure to end-user workflows and operational pain points in a high-growth product environment, developing a user-centric perspective on how design decisions affect real-world usability.
- Observed how cross-functional teams collaborate under pressure, strengthening understanding of stakeholder communication and iterative feedback cycles — directly applicable to design review and implementation processes.

Freelance — Social Media & Visual Design Mar 2020 – Jun 2024

YouTube & Instagram Creators - Remote

- Thumbnails, channel art, posts, and promotional banners for multiple creators — Canva, Photoshop, Illustrator, Figma.
- Developed brand identity elements: logos, colour palettes, style guides for growing digital channels.
- Produced end-to-end promotional graphics for events, product launches, and social media campaigns.
- Maintained a 98% client satisfaction rate through iterative feedback and consistent visual quality.

PROJECTS

E-Commerce App UX Redesign Oct 2025 – Dec 2025

Redesigned UX of an e-commerce platform using design thinking. Conducted user research, created personas & empathy maps, developed wireframes and high-fidelity prototypes; improved navigation, search, and checkout flows.

Tools: Figma, Wireframing, Prototyping, Design Thinking

E-Commerce Website — UI Design + Development May 2025 – Jul 2025

Designed and developed a responsive e-commerce website with clean layouts, strong visual hierarchy, and cross-device accessibility, focused on UX consistency and scalable design structure.

Tools: Figma, HTML/CSS, Responsive Design, Prototyping

Social Media & Visual Design Mar 2020 – Jul 2024

Designed engaging digital content — thumbnails, creatives, and brand assets — with consistent typography, color systems, and platform-optimized layouts to improve user engagement.

Tools: Canva, Photoshop, Visual Design
